

ENSURE A HIGHER LEVEL OF MANAGEMENT CONSULTING

Become a CMC • Hire a CMC

CMC-Canada and the regional Institutes of Certified Management Consultants are proud to present the most recent recipients of the Certified Management Consultant (CMC) designation and Fellow Certified Management Consultant (FCMC) title.

The CMC designation is the profession's only international certification mark, recognized in 43 countries. It represents a commitment to the highest standards of consulting and adherence to the ethical canons of the profession.

Each year, a few CMCs are honoured with the title Fellow. These individuals have been broadly recognized as being outstanding professionals within and beyond the confines of management consulting. They have been singled out by peers, clients, colleagues and community members for their integrity, pioneering efforts, innovation, accomplishments and contributions to both their profession and community.

Those elected by the Fellows Committee to be FCMCs truly set a standard worth striving to achieve. Our profession is a better one because of them.
