

ESSENTIALS AND ETHICS DUAL CERTIFICATE PROGRAM

ABOUT THE PROGRAM

By combining the **Essentials of Management Consulting (EMC)** and **Ethical Behaviour: Best Practices of Management Consultants (EB)** courses, this certificate program ensures that learners complete the certification courses required of entry stream candidates to earn their Certified Management Consultant (CMC) designation in Canada.

This program includes:

- Registration in EMC
- Registration in EB
- Exam fees for EB
- CMC-Canada's Body of Knowledge (BOK)

Learning hours (EMC): 21 class hrs
Learning hours (EB): 5 class hrs + exam
Program total learning hours: 26hrs + exam

WHO SHOULD ENROLL?

This program is for the new consultant looking to elevate their skills to the standards of a CMC while ensuring a clear understanding of ethical behaviour within the management consulting profession.

The program has no prerequisites and is required for entry-streamed CMC Candidates but is **open to all consultants with at least 1-3 years of professional management consulting experience.**

Instructors are based in Canada, delivering the course material in English, however, international learners are welcome! Please let us know if your home country or Institute requires any special documentation to recognize this course for credit.

DELIVERY

Live, online classes via Zoom.
A stable internet connection, microphone, and webcam are required to participate.

COST

\$1960 / CMC-Canada members
